San Cesario Sul Panaro, November 11, 2021 - The Riyadh Car Show, despite its young age, is already one of the most prestigious automotive events in the entire Middle East, able to attract thousands of enthusiasts from all over the world to the Saudi capital.

Pagani Automobili will participate in the event, organized by Seven Car Lounge, a leading hypercar retailer in Saudi Arabia and event partner of Pagani, with an exclusive display of the different models that have made the history of the brand, as a tribute to the "Ten Years of the Huayra".

A total of nine Pagani examples will be on display inside the pavilion purposely set up in the heart of Riyadh, an exhibition space of over 1200 m² entirely dedicated to the Modenese brand.

Since the unveiling of the Coupé in 2011, the Huayra model family has been able to conquer the hearts of car enthusiasts globally and it still represents the perfect union of scientific and artistic research, core values of Pagani Automobili's DNA.

On display at the Riyadh Car Show will be a unique selection of iconic examples of the Huayra model range, including the **Huayra Coupé**, **Huayra BC**, **Huayra Roadster**, **Pagani Imola** and **Roadster BC**.

A special selection of Zonda models enriches the exhibition in order to offer guests visiting the show an even more complete and exciting brand experience: together with the iconic **Zonda F** and **Zonda C12** - chassis number 001 - there will also be two exclusive one-off models created around the refined taste of their customers, such as the **Zonda HP Barchetta** and the **Zonda Aether**: concrete examples of the highest level of craftsmanship and an all-Italian know-how that are typical of the Pagani Atelier, devoted to satisfy the customer's every need.
